Thursday 19 th December	Mill Green Christmas Fayre 1pm – 3pm Christmas Jumper Day
Friday 20 th December	Christmas Disco School Closes for Christmas Break
Monday 6 th January	School Re-opens for Spring Term (1)

Rights Respecting Schools

Article 17 (access to information from the media) Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide

information that children can understand. Governments must help protect children from materials that could harm them

Our school actively supports and implements Article 17 of the UNICEF Rights Respecting Schools by ensuring students have access to reliable and age-appropriate information through a variety of sources. We provide a well-stocked library, each classroom has their own mini library, safe and supervised internet access, and lessons on media literacy to help students critically evaluate and responsibly use information. Through assemblies, classroom discussions, and collaborative projects, we promote awareness of diverse perspectives while fostering respect for cultural differences. Additionally, we work closely with parents and external organisations to expand learning opportunities, ensuring that every student's right to information is respected and upheld.

We now have a GreenCable Bin in school and will be collecting any waste/spare electrical cable and other metals across the academic. The collected for re-cycling and generate income for our School Fund which is used to support a range of activities, both curricular and extra-curricular across the school year, including environmentally friendly and sustainable projects run by our Eco-Committee.

Cables will be collected each Monday morning from Form Groups. Alternatively, cables can be handed over at Parent/Carer drop-off and pick-up across the week.

Materials accepted by GreenCable include:

- ✓ Multicore (electrical and data) cable
- ✓ Single Core cable
- ✓ Low grade cable
- ✓ Bare copper cable
- ✓ Old/new copper pipe / tanks
- ✓ Metals such as lead, aluminium and mixed brass
- ✓ Electrical motors (starter/alternators)
- ✓ Lead-acid batteries

British Values

Our Half-Termly British Values Focus is:

The Rule of Law

This means learning about, and understanding rules and why they are important. It also means how following rules keeps everyone safe and maintains order.

The rule of Law is an essential aspect of modern democracy, over the half term we will look at the strengths and weaknesses of the rule of law.

	Weekly Attendance	Year to Date Attendance
KS4	92.9%	92.1%
KS5	90.7%	91.1%

We work in partnership with St Helens LA to achieve the 3 obsessions

Reminders

Outerwear: As the weather becomes wetter and more inclement, please send your young person into school with appropriate clothing including warm & waterproof outerwear which can be worn outside during break and lunchtimes and at times when learning takes place outdoors.

Medical Appointments: Where routine medical appointments e.g. dental checks are needed, these should be booked out of school hours where possible to minimise any unnecessary disruption to education. Proof of appointments should be shared with the school office in advance of medical appointments.

Attendance

95%	=	47 LESSONS MISSED EACH YEAR 8 days in total or 1 week and 3 days
90%	=	95 LESSONS MISSED EACH YEAR 16 days in total or 3 weeks and 1 day
85%	=	142 LESSONS MISSED EACH YEAR 24 days in total or 4 weeks and 4 days
80%	=	190 LESSONS MISSED EACH YEAR 32 days in total or 6 weeks and 2 days

ATTENDANCE MATTERS

WHAT DO YOUR ATTENDANCE FIGURES ACTUALLY MEAN?

Mill Green Merits

	Highest Hitters	House Running totals
Newton	Caden K	1028
Parr	Ellie Mai S	1036
Sutton	JJ T	937
Windle	Maya L	956
